# A Message from the President

**Charlie Wigglesworth**

By the time you receive this newsletter, fall will be here! But it still feels like Summer. It has been to summer that never seems to stop! Claudia and I have truly enjoyed our travels this summer and looking forward to more on the horizon. I want to thank the entire executive board of all the support they have rendered when I have been out of the net. Thanks to Lisa Bailey, our Vice President and incoming President, and Dennis Newton, our Legislative Affairs Chair and Webmaster for representing the chapter in the training meeting in South Carolina. Dennis is also representing the Chapter in Phoenix this year at the Annual Convention. He will receive the Chapter's 2017 Five Star award. We will provide more information of the news from National in a later newsletter.

Our chapter has been supporting the Warrant Officer Candidate School graduations for some time now. Newly appointed Warrant Officers are presented the CW3(R) Doris Allen Distinguished Honor Graduate Award and the CW4(R) William L. Ruf Leadership Award co-sponsored by the US Army Warrant Officer Association and the Military Officer Association of America. Both of these awardees also receive a complimentary three-year Premium Membership in MOAA and a \$100 check. CW5(R) Ron Kaita is the MOAA Recruiting Ambassador for our Chapter and does all the recruiting presentations to these classes.

Recently the MOAA representative for the Initial Entry Rotary Wing (IERW) courses (COL-Retired Stanley Smith, a member of our chapter) assumed the position of Director, Alabama Aviation

College. The chapter has continued to support the graduations with members of the executive board since his departure. However, it does spread us a pretty thin on occasions. The distinguished graduates of the IERW courses, whether commissioned officers or commissioned warrant officers, receive a complimentary three-year Premium Membership in MOAA. We attend the graduations and present the awards to the above graduates. We would like to offer the opportunity to other members of the chapter to participate in these graduations. All graduations are at the Aviation Museum and the dates of these graduations for the remainder of this fiscal year are as follows:

**2018** - 8 Nov, 21 Nov, 6 Dec, 19 Dec

**2019** - 17 Jan, 31 Jan, 14 Feb, 28 Feb, 14 Mar, 28 Mar, 11 Apr, 25 Apr, 9 May, 23 May, 30 May, 13 Jun, 27 Jun, 11 Jul, 25 Jul, 8 Aug, 22 Aug, 5 Sep, 19 Sep

If you would like to be a presenter at one of these graduations, please contact either Ron Kaita at 334-477-7860 (c) and 334-677-6734 (h) or Charlie Wigglesworth at 334-598-2313.

Just as a note of interest, due to the great work of Ron Kaita and Chapter representatives at Fort Rucker and others across the Nation, today a healthy number of the Warrant Officers of the active and reserve components are members of MOAA! And that doesn't count the retiree numbers! There is truly strength in numbers as MOAA represents the interests of officers of the Active, Reserve, National Guard component and retirees. Additionally, as MOAA represents the interests of the Officer Corps, they also are a voice for those we have lead for years in the enlisted force.

As always, keep all of our military members who stand on the front lines for the freedoms we enjoy each day in your prayers.

## **Veterans Administration News Snippets**

>> WASHINGTON — On Sept. 14, two weeks ahead of schedule, the U.S. Department of Veterans Affairs (VA) exceeded its goal to deliver 81,000 appeals decisions of disability benefits and services to Veterans in fiscal year 2018 — 28,000 more decisions than the previous year.

>> WASHINGTON — The U.S. Department of Veterans Affairs (VA) announced that it is ready to hire an additional 50 Veterans Justice Outreach (VJO) specialists following President Trump's signing today of the Veterans Treatment Court Improvement Act of 2018, a new law shoring up support services to Veterans impacted by the justice system.

>> WASHINGTON — The U.S. Department of Veterans Affairs (VA) announced that thousands of low-income Veteran families around the nation will continue to receive benefits under the Supportive Services for Veteran Families (SSVF) program.

# Legislative Report

by  
**Dennis Newton**

As Legislative Affairs, my role is to keep you informed about issues that involve your military benefits. This is especially important when Congressional bills are debated, and your involvement can make the difference between the outcome.

A great example is how MOAA in its role as the leader of the Veterans Coalition was able to head off an attempt by the Department of Defense to increase the cost of your Tricare Insurance. DOD wants to modernize its weapons capabilities, and has a mandate to raise the number of troops in service. This all costs money. A few years back Congress started a requirement that any newly created fiscal project requires cuts in other programs. This seems like a sensible philosophy. It is supposed to keep the federal deficit in check. But in reality, it often is just a political hammer. DOD wants new weapons. It needs more money. Personnel is one of the most expensive areas of their funding. If you need more people and more weapons, the only other place to go is retirements. They can save money by holding back on COLA raises. A ½ a percent is still a lot of money. And they can raise fees on Tricare and off-set a great deal of money.

What this does is ostensibly cause you a pay cut. It means you as a Veteran are paying for the weapons. The rest of the taxpayers are asking you who served the nation already to pay more. That way taxpayers can keep on without adding to their tax burden and DOD gets its new capabilities. But they are breaking their promises to you.

So last Spring, when MOAA discovered yet another hidden proposal to cut benefits and raise fees- they jumped into high gear and rallied to prevent this injustice. You should have seen recently that there are no new increases in Tricare costs this year and that the COLA increase to retirement is in the budget. This is does not happen without thousands of us writing Congress and keeping watch on them.

One website that is especially useful is: <http://www.veteransresources.org/>

You may have seen the RAO bulletin which is occasionally sent on our MOAA mailing list to you. This is a very rich source of What’s Happening in Veteran Circles. It is worth the read and is a quick way to stay informed. You need to stay informed and not believe that your benefits are secure. In this day of so much political wrangling and grandstanding, with so few Americans involved in actual defense and so little understanding amongst them about what it means to sacrifice for this country, you could see some real cuts if you do not stay vigilant. Visit RAO occasionally. Put it in your bookmarks and watch for MOAA’s requests to get involved in writing to your Congress when a need is known.

# Membership Report

by *Othan Gilbert*

I am pleased to report two new chapter members. COL Kelly Hines (Shannon) who lives at Fort Rucker and Lt. Col. Michael Milton (Nance) from Enterprise. COL Hines is the Commandant of the Warrant Officer Career College and Lt. Col. Milton is an Air Force retiree. Both are very much welcomed. I am sad to report the death of three of our chapter members. CW5 James Rathburn (Nancy) of Chancellor, COL Sam Griffith (Penny) of Ozark and MAJ Lubert Wing (Betty) of Phenix City. Next time you meet one of your officer

friends, ask them if they are a member of MOAA. If they are, see if you can convince them to join the chapter. A chapter membership form can be found on our chapter web site and on the address page of this newsletter. Remember, membership with MOAA National is a prerequisite for chapter membership.

The national MOAA website is [www.moaa.org](http://www.moaa.org) and our chapter website is [www.fortruckermoaa.org](http://www.fortruckermoaa.org). The phone number for MOAA National is 800-234-6622.

Remember that Lowe's and Home Depot give active duty personnel and military retirees a 10% discount as do many other businesses. In most cases you must ask to know for sure because it is not advertised.

# Retired Officer Wives Association (RWOA)

by Mary Jane Collins

Greetings Everyone,

Those buttermilk skies have appeared once again as we transition from summer into autumn. The cotton is blooming tall, schools are in session, and the football season, of great importance in the SEC, is here with dedicated fans of both schools and colleges prepared for game days, tailgating, grilling and cheering. History of Alabama records the first school was in 1799, more developing by 1800 as early colleges were established by faith denominations, and by 1831 the state's first university founded. Gradually the frontier developed into towns and cities from Alabama's stately mountains to vast rivers to beautiful white sand beaches.

ROWA's own history here began in 1973 and celebrates the Association's 45th year now. September is the season for ROWA to reconvene which we did at The Landing September 11. It was certainly a day to remember as we paused in silence for the ones lost, their families, our country, and the brave responders. ROWA was meeting the same morning of the attack that year. The table decorations included green foliage, symbolizing continued life and a quotation list from 9/11 which included: Bush: Attacks dent steel but not the steel of American resolve. Powell: The American spirit will prevail.

Following the remembrance, our fellowship with luncheon

was enjoyed as guests and new members were acknowledged. Wife of COL Kelley Hines, Commandant US Army WOC College, Mrs. Shannon Hines, president of the Ft. Rucker Community Spouses Club (FRCS) was a special guest representing the senior leadership spouses. The FRCS Annual Bazaar will be at Yano Hall Nov. 2-3 with proceeds providing educational scholarships and community grants.

God bless!

# Chaplain's Corner

by Ben McKee

## **Standing Still and Listening for God's Guidance**

Growing up in central Oklahoma and listening to Sooner Football each Saturday in the fall of the year gave me ample reason to attend OU and also my son to attend OU. But little Ben decided that the Lord was **"Leading him beside the still waters."** In other words, he was going to attend OSU in **"Stillwater,"** Oklahoma. To me, that was like an Alabama Grad having a son who demanded to attend Auburn! Ben kept ribbing me that **"Still water runs deep."** So, he became a Cowboy instead of a Sooner to my dismay.

What is the meaning of the saying, **"Still waters run deep?"** Perhaps you have noticed that the shallow waters of a creek seem to move swiftly while the deeper waters on the surface seem to move more slowly. I believe that the saying is used to express that one should not be fooled into thinking that a quiet person has nothing to say. Often the people least likely to speak are the ones with the most to say. The Bible says, **"The quiet words of the wise are more to be heeded than the shouts of a ruler of fools."**

Quietness does not come easy for many of us especially when there are so many issues in society upon which to voice our opinions. Just look at the past two weeks of media reporting—and then see the results of opinions on Facebook. First, we had the deaths of two famous people: a famous Senator and a famous Singer. Then, much was said about the anniversary of the 9/11 disaster. And all the while, the media constantly bombarded us about the division of society based on political ideologies. Being an American allows us to have differing opinions on issues but we must not let the media divide us as a people. God gave us two ears and one

mouth. We should use them in that order. Paul wrote, **"...study to be quiet, and to do your own business..."** He warns us against those who were **"...busybodies, speaking things which they ought not."** Peter describes a **"...meek and quiet spirit..."** which he says, **"...is in the sight of God of great price."**

Sometimes our lives are so filled with noise that we cannot hear the still small voice of the Lord. Remember Elijah hearing, feeling and seeing the wind, earthquake, and fire, but the Bible tells us that God was not in any of these, but then as he was quiet, he heard a still small voice, and it was the voice of the Lord. **How long has it been since you just set in absolute silence and opened up your heart to hear the voice of the Lord?**

Listen to the instruction given to Job toward the end of his suffering, **"Hearken unto this, O Job: stand still, and consider the wondrous works of God."** The Psalmist wrote, **"Stand in awe, and sin not: commune with your own heart upon your bed, and be still."** Again he wrote, **"Be still, and know that I am God..."**

Moses, when he and the Children of Israel were on the bank of the Red (Reed) Sea, and King Jehoshaphat, when he and the Children of Israel faced an alliance of armies, both used these words: **"Fear not, stand still, and see the salvation of the LORD...The LORD shall fight for you, and you shall hold your peace."** In each situation as they were still before the LORD, God delivered them with His mighty hand. **"The victory is ours when the battle is the Lord's."**

The Lord said through the prophet Isaiah, **"...in quietness and in confidence shall be your strength..."** Let us learn to disentangle ourselves from the cares of this world and be still and quiet before the Lord. **Let the Lord allow you to rest in green pastures and let Him lead you beside the still waters. My prayer is that I may learn to "Stand still and listen for God's guidance before I speak." And that we, as a nation, can come together in unity as Americans as I remember we were during WWII. A divided nation cannot stand.**

## **House Rejects Flawed Choice Funding Extension Bill, Opportunity to Compromise** from MOAA website

"As organizations representing the interests of America's 21 million veterans, we are pleased that the House listened to the voices of those who served and rejected S. 114, flawed Choice funding extension legislation that had little chance of being approved by the Senate....With tonight's vote result, there is now a new opening for the House and Senate to work together in a bipartisan, bicameral manner to rapidly reach agreement to continue funding the Choice program uninterrupted in the short term - without forcing veterans themselves to pay for it - while also making long overdue and urgent investments in VA health care capacity for the long term....We thank all those Members who voted to reject this unacceptable legislation and call on them and all Members of the House and Senate to work together, and with us, to quickly find a reasonable solution that we can all support, just as they are doing to make #ForeverGIBill a reality."

**Military Officers Association of America  
Fort Rucker Chapter  
P.O. Box 620075  
Fort Rucker, AL 36362-0075**

The Fort Rucker Chapter of Military Officers Association of America (MOAA) is soliciting donations of items, products or services for a silent auction. The auction will be held at our December 15, 2018 chapter meeting. Proceeds from the auction will benefit the MOAA Scholarship Fund and our local chapter support for the commissioning of ROTC cadets at Troy University.

The MOAA Scholarship Fund was established in 1948 to provide educational assistance for the children of military families. The fund supports one of the association's founding principles: *education is the cornerstone of a strong democracy*. It is funded by donations from MOAA members, Councils and Chapters, corporations, and others with a desire to help military families.

Through 2017, the **MOAA Scholarship Fund** has provided more than \$140 million in educational assistance to more than 14,000 students. The majority of support to families is provided through interest-free loans. This allows us to reuse the donations over and over again. The **MOAA Scholarship Fund** is a public, non-profit, charitable organization incorporated in Virginia and declared tax-exempt by the Internal Revenue Service under §501(c)(3) of the Internal Revenue Code. Its tax identification number is 54-1659039. We are committed to demonstrating the highest standards of public accountability and stewardship of donors' gifts.

Locally, the Fort Rucker MOAA chapter sends representatives to present gifts of rank insignia to ROTC Cadets, both United States Army and United States Air Force. These cadets designated by their professors of military science for exceptional performance.

Thank you for your support of our project. Please let us know if you would like to join us for the auction and share a meal and Christmas musical entertainment.

Please contact Lisa Bailey (334) 588-0512 ..... for more information.

Sincerely,

## Defense Bill Expands Benefits for Veterans

Posted on September 20, 2018, [www.dav.org](http://www.dav.org) by Mary Dever.

“Service-connected disabled veterans and their families will soon have access to certain new privileges under the recently signed John S. McCain National Defense Authorization Act for Fiscal Year 2019—several of which have been longstanding DAV legislative priorities. Beginning in January 2020, service-connected veterans and their caregivers will be eligible to use base commissary stores and some morale, welfare and recreation facilities on bases worldwide....In addition, veterans with a service-connected disability rated as permanent and total will soon be eligible to use space-available (Space-A) travel on DOD aircraft, in accord with DAV Resolution Number 274. Eligibility does not extend to spouses, significant others or caregivers, and those wishing to travel Space-A must have a DD Form 2765....”
